

2020 - 2021 Covid-19 Protocol

Access to School

- Only staff and pupils will be allowed inside the school building unless a meeting is booked in via the school office. Deliveries will be collected from outside the front door or kitchen as necessary.
- Drop off and pick up routines will be adjusted – please see table below.
- Staff will be on duty on Penywern Road (PR) Brechin Place (BP) and Old Brompton Road (OBR) to help maintain social distancing (SD) at drop off and pick up. To avoid congestion, we ask that only one adult brings a child to school and arrival at school is as close as possible to the scheduled time. We also ask that face coverings are worn by the adult at drop off and collection. Additionally please can parents keep their children socially distanced from others whilst waiting

Bubbles

- Two school 'bubbles' have been created:
- FHG with an Upper School (Year 4-6) 'bubble' and a Lower School (Rec-Y3) 'bubble'.
- FHB with an Upper School (Year 3-5) 'bubble' and a Lower School (Rec-Y2) 'bubble'.
- These bubbles will have minimal contact with each other in school. If a room or resource is shared across bubbles, this will be thoroughly cleaned in between groups
- Entry and exit into the school building have been adjusted so that the bubbles can keep apart and the timetable changed to allow different bubbles use of the playground at different times.
- Bubble constraints now means amended early and late birds' hours:
 - FHG, Early Birds from 8.00am. Late Birds until 5pm.
 - FHB, Early Birds from 8.00am. Late Birds until 5pm.

Infection Control and Protection

- If pupils or staff show any of the signs of Covid-19 they must not come to school. (<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms> Parents of pupils with symptoms should use <https://www.nhs.uk/ask-for-a-coronavirus-test> to arrange a Covid-19 test.
- Children should not come to school if any member of their household has Covid-19.
- Hand sanitiser stations have been fitted at every entrance to the school and must be used before entering the building, when changing classrooms and before and after eating.
- Pupils will be encouraged to wash their hands regularly with soap and hot water.
- Staff will wear face coverings when moving around the school and in communal areas.
- School staff will be supplied with lateral flow testing kits and will be encouraged to carry out twice weekly tests at home.
- Staff working with younger children where SD may be more challenging may wear face coverings in the classroom.
- Doors and windows will be open in the classrooms to maximise ventilation.
- All pupils are to bring their own water bottles which should be taken home at the end of each day and returned to school the next day.
- The interactive whiteboards will only be used by the teacher.
- The children will wipe down their iPads frequently.
- School resources will not be taken home unless absolutely necessary.
- Class furniture will be regularly wiped down during the day by the teacher.
- All non-essential soft toys and furnishings will be removed from the classroom. The toys that will be available will be washed regularly

- Children should come into school in full uniform unless PE is scheduled and then they should wear PE kit as this eliminates the requirement to change. This does not apply to sports club/squad – children should bring in PE kit and will change in school before the club/squad.
- Where possible there will be no sharing of resources, if equipment is shared it will be cleaned after each use.

Social Distancing in School

- The classroom will be arranged to maximise SD. All unused furniture will be removed and stored.
- Movement around the school will be kept to a minimum. When at all possible the stairs will only be used when clear of other groups.
- There will be no whole school assemblies or gatherings.
- The playground will be divided in two to help keep groups apart.

Cleaning

- A thorough deep clean of the school has taken place. The school will be cleaned in the middle of the day and at the end of each day with particular attention being paid to surfaces that are touched regularly.
- Class equipment will be regularly wiped down by the teacher and always after an item has been used.
- Door handles and stair bannisters will be cleaned twice daily.
- Bathrooms will be checked regularly and cleaned at least twice a day.

Medical Considerations

- Pupils and staff feeling unwell will be temperature tested by a member of the office using the infra-red thermometer.
- If any child develops Covid-19 symptoms whilst at school, they will be taken to the sick bay by a member of staff to await collection. Parents will be contacted and asked to collect their child immediately and to arrange for testing using the following link: <https://www.nhs.uk/ask-for-a-coronavirus-test>. The test result must be negative before they are allowed to return to school.
- If a case of Covid-19 is confirmed (pupil or member of staff) the school will immediately inform Public Health England who will dictate the protocol to be followed in terms of who is required to isolate and also informing the school community.

Catering

- Meals will be plated by Falkner House staff who will also hand out cutlery. There will be no buffet style dining options.
- All cutlery and crockery will be thoroughly washed and will be sterilised.
- The kitchen tables and benches will be cleaned after each serving.

Further Guidance

The latest government guidance for parents on the re-opening of schools can be found at the following link:

<https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak/what-parents-need-to-know-about-early-years-providers-schools-and-colleges-during-covid-19>

Brechin Place FHG

Year Group (left and right of gate are from Old Brompton Road looking at school)	Dropping time	Collection time Monday – Thursday	Collection time Friday
Reception (Left gate into Rec classroom)	8.30 – 8.40	3.00	3.00
Year 1 (Right gate into Aviary)	8.30 – 8.40	3.00	3.00
Year 2 (Left gate into Aviary)	8.30 – 8.40	3.30	3.00
Year 3 (Right gate into Aviary)	8.30 – 8.40	3.30	3.00
