## **14th July Team 1 Y4 Cricket match**

On the 14th of July, FH had a match against Norland Place. Both teams were extremely excited and had been looking forward to this match. As we arrived, I saw Norland Place practicing and I thought they were very good. Cosima (the captain) lost the rock, paper, scissors so we were batting first. Anaya and Evie were the first batting pair. Cosima and Samantha were the second.

In the end, the score was an extremely close 37 - 42 to Norland Place. Everyone did really well (and our bowling was great). Anaya was most proud of the fact that she scored a 4 and a six. Captain Cosima was proud that she got a wicket in her bowling. Elizabeth was overjoyed when she got an amazing six. Charlotte told Cosima that she was extremely proud of her excellent bowling and Calissa felt proud of her extraordinary batting.

All in all, Falkner House played really well. And although we lost, mistakes are how you learn, aren't they? And we are champions, so we will come back stronger and better than ever before.
