

**On Wednesday 11th of October we played Glendower. Sadly, we lost 8-4. However, even though we lost, our team was really strong. We were quite nervous in the beginning but once we got started we felt more confident. Clara and Vivienne were our shooters and they both scored two goals, supported by Allegra. Isabella, Rebecca and Lora did so well defending but the Glendower attack was too strong**

**It was quite slippery so we fell down quite a lot but we got back up and carried on with the match.**

**Everyone did so well. It felt like we did really well passing the ball in the second half of the match.**

**Everyone played excellent netball.**
