

## Falkner House VS Glendower

On Wednesday 27th September we (Falkner House) had a match against Glendower at Battersea Park. We played a total of three matches in the space of three courts all at the same time.

The first score was a team effort as Victoria passed Aaliya the ball and then passed it to me. I tried to shoot twice, however, on the third attempt a Glendower player nearly managed to tackle the ball away from Aaliya. Luckily, she resisted and scored, A GOAL FOR US! It was a great start to the match. In that glorious moment, the parents cheered with glee. We were proud and determined to carry on working as a team to win the match.

A few moments later, I was close to scoring when a Glendower player tackled me and took the ball. Fortunately, she dropped the ball outside the lines and so, Aaliya was given a free pass. She passed to Isadora who quickly passed it to Victoria and then passed it to me. To play tricks with the opposing team, we passed the ball back to one another with Aaliya. She took the opportunity to shoot and scored another goal for our team. Another fantastic moment for us working together.

Unfortunately, the third goal was not one from our team. After numerous attempts, Glendower finally managed to score one goal. I suppose 2-1 isn't that bad!

One of my most favourite moments in the match was when Clemence passed me the ball, but to my surprise, my opposition had also grabbed it at the same time. Therefore, Miss Tucker threw the ball mid-air and in a swift motion I took hold of the ball and then passed it to Victoria who threw it to Aaliya and shockingly managed to score our victory! We all celebrated that magnificent moment together!

I would really like to say thank you to my extremely kind team-mates (Aaliya, Isadora, Victoria, Clémence, Ayla and Matilda) and our teachers who supported and trained us to be the best we can be!

You all helped Falkner House achieve a winning score of 3-1 and I am grateful for the efforts everyone made. It has been a fantastic experience being your captain. I would also like to say that the Glendower girls played really well!
