

On Thursday the 16th of May, Year 6 went to the Ellesmere House carehome to perform songs for the residents there. We played songs that we had rehearsed in school on the ukulele in music and we sang many songs which many of the people living there got to listen to and enjoy like God save the King. Several girls played their own instruments very well and the choir also performed a beautiful song - 'Irish Blessing'.

Year 6 got the chance afterwards and before to introduce themselves and speak to the residents and learn about them. For example, one adventurous lady who enjoyed skiing in many places like Switzerland and Italy. Another resident kindly offered Claudia her hat to try on and we met an adorable dog who had recently moved in and a kind gentleman showed pictures of the dog. It was a wonderful experience and very enjoyable for everyone. Afterwards, Ellesmere House was very generous and gave Year 6 a delicious treat.

Thank you Miss Golitzin for arranging the trip and Mrs Rogers for taking the instruments.
