Report

The team was in good spirits on the way to the match. To calm our nerves, we started a sing-a-long to some of our favourite tunes. When we arrived, there was a mixture of nervousness and excitement amongst the team ahead of the match.

After we put our bags down, we went over to Miss Mulloy to find out what positions we were playing. After we were handed our bibs, we ran over to

the court we were playing on. We did some warm-ups, the Garden House girls arrived and then it was time for the match....

Our markers from the opposition came over and we all got onside. Clemence and the Garden House Centre did "Rock, Paper, Scissors" to decide who got possession of the ball first. The Garden House Centre won and the whistle blew to start the game.

Garden House started on the attack and managed to get the ball all the way to their shooting D. The Goal Attack shot and fortunately missed. Celia quickly caught the rebound and passed to Allegra. We were then able to get the ball up the court to our shooting D. I took a shot and it went in! We all cheered and reset back into our starting positions.

For the remainder of the first half we dominated the game with a flurry of goals from Poppy and myself and with some great interceptions from Vivienne and Celia. Elizabeth also did a great job with getting the ball up the court allowing us to score. Miss Mulloy blew the whistle for half time and we gathered round and heard that the score was 5 – 1 to Falkner House!

We continued playing well in the second half. Celia was passed the ball but everyone was heavily marked. We were worried it was going to be an overheld ball but, just in the nick of time, Allegra found space and was able to be passed to by Celia, which resulted in another goal for our team.

Garden House managed to pull one goal back. However, we finished the game strongly by adding another goal to our total. The final score was 7 – 2. We ended the match by doing three cheers for Garden House. It was a great match and everyone who played should be very proud of themselves.
