

Falkner House vs Garden House

The Year 4 netball match on Thursday, the 7th November 2024 in Battersea Park between Garden House and Falkner House was a fast moving and action-packed game, with both teams showing impressive skills and teamwork. Both schools played in a friendly but competitive manner. All team members showed excellent effort and had plenty of opportunities to get involved and enjoy the game. We were split into 3 groups and played over 3 courts.

On arrival, we felt nervous. The bus journey was used to discuss tactics but also exchange ideas about what we can improve regarding working as a team. We didn't have much time to warm up but tried to stretch and get our body ready for this important game. We felt very happy when seeing our parents cheering for us. Although it was a rather cold day, the match kicked off strong and both teams were heated and excited.

Garden House showed exceptional passing skills. Falkner House remained focused and didn't let the eyes off the ball. Once we got into the flow of the game, we were unstoppable. We felt that our moving strategies and the hard work in the PE lessons paid off.

The girls in my team were: Alix G (WD), Mia (C), Alice (GD), Cressida (WA), Anoushka (GK), Caterina (GA). Alix was very good at defending the ball even though Garden house were tied less. Mia was fabulous at receiving the ball from different angles and positions. Alice is a very important player in our team and she was amazing at intercepting the ball. Cressida was great at attacking and driving in to get the ball. Caterina was fantastic at reacting and receiving the ball.

Anoushka showed great skills at catching the ball when Garden house tried to shoot a goal.

In a blink of an eye, Garden House scored victoriously.

At that moment, Anoushka got hold of the ball again, focused on the hoop and scored the first goal for Falkner House.

We counted an even score 1-1

At the last second of the match Garden house took a shot and scored!

Suddenly, one of the teachers blew their whistle and that meant the match was over

Garden house had won 2-1 against Falkner

We had so much fun!
