

FALKNER HOUSE

Falkner House Spring Term Cross Country (Falkner Flyers) Friday 14th February

On a lovely sunny Valentine's Day, the Falkner Flyers went to their annual Spring Term Cross Country event at Battersea Park. This year saw a record number of schools attend:

- Falkner House
- Notting Hill Girls School Ealing
- Hill House
- Glendower
- Garden House
- Fulham School
- Thomas's Fulham
- Parkgate House

The event is raced as a team event and FHB combines with FHG to compete both for individual and term glory. As with years gone passed, Falkner House had strength and depth at FHB and FHG.

The boys' races saw Falkner House win the Year 2 and Year 3 group and take second place in Year 4 and Year 6. While in the girls' races Falkner House won in Year 2 and Year 5 and came second in Year 6.

There were a lot of impressive individual performances aiding in the success of our team results, however the standout results for the boys were Hugo (Y3) and Hamish (Y6) first place finishes in their respective races.

At the end of the day this is a team event, and every place won is a point gained for the team. All Falkner House boys and girls understood how important their effort was, and they were rewarded with the overall team win for the event.

Well done to all of boys and girls.
