

FALKNER HOUSE

Y3 cricket vs Durston House

12th May 2025

On a gloriously sunny afternoon, the Year 3 boys took to the cricket pitch to face Durston House in an exciting series of matches featuring four teams. The weather could not have been more perfect - clear blue skies and warm sunshine provided the ideal backdrop for a fantastic afternoon of cricket.

From the very first ball, it was clear that the boys were full of energy and enthusiasm. Across all four games, the boys displayed wonderful team spirit, excellent sportsmanship, and a real eagerness to put into practice the skills they've been working on this term.

The bowling was sharp and accurate, with several boys showing great control and consistency. The batting was equally impressive - some lovely straight drives, clever running between the wickets, and even a few well-judged boundaries. The fielding too, was a highlight of the afternoon, with some excellent catches, quick thinking and encouraging calls from teammates to support each other.

A huge well done to all the boys involved - your effort, teamwork, and respect for the game and your opponents were exceptional. Many thanks also to Durston House for being such fair and friendly opponents, and to the parents who came along to cheer both sides on.
