

## **ADDITIONAL INFORMATION REGARDING FEES:**

Parents of children aged between three and five are eligible for the basic free 15 hours per week funding (FEEE) for their time in Nursery.

This funding does not however cover the full cost of your child's place at Falkner House. There is a very wide curriculum in our Nursery and the session includes activities such as music, dance, art, drama, sport, cookery, craft, carpentry, animal care, as well as high quality snacks and the general educational services (including the costs of administering the funding itself. We are also very proud of our highly qualified and experienced staff and our high staff to child ratios. All of the above form an integral part of Falkner House.

Parents contribute towards these in terms of an additional fee on top of the FEEE received by parents which enables us to maintain our high standard of care and education. The combination of the FEEE and the additional charges constitute the termly fees at Falkner House

Falkner House accepts Childcare Vouchers and Tax Free Childcare Payments and payments via Enjoy Benefits

For parents who are looking for the FEEE funded offer who do not wish to agree to the additional charge please contact the RBKC Family Information Services to find an alternative provider who is able to offer a FEEE funded only place.
