

FALKNER HOUSE

Y5 and Y6 football vs WCCS

26th September 2025

A Team

After a good team building tournament at Hampton and a narrow loss to St Philips the A team looked to apply pressure on WCCS in the hope of a win. Falkner House started well with players holding their shape and moving the ball around effectively in the early part of the first half of the game. However, WCCS matched the our play and grew into the game. They began to shut down passes, apply pressure at key moments of our attack and eventually began to score goals. By the end of the first half, they were 3-0 up.

The second half was more of the same. Falkner House, focusing on the goals scored, struggled to play any positive football or apply any pressure on WCCS. By the end of the game WCCS scored 3 more goals. The final score 6-0 to WCCS. A tough day at the office and the expressions on the boys' faces needed no words. A hard loss but with any luck one that the team will learn from.

B Team

The B Team took to the field against WCCS at Battersea Park. The first half saw a very difficult half for the boys as WCCS dominated the ball and the chances. The boys defended resolutely and brilliantly to keep the game level. However, WCCS got the goal they deserved just before halftime.

The second half was very similar to the first as WCCS continued to dominate the game and did get a second goal. However, Falkner House did score a goal in the end. Raffy capitalized on a WCCS defensive mix up to score an open goal. Final score WCCS 2-1 Falkner House.

Overall, a very tough game with very few attacking opportunities. Defensively, brilliant, everyone helping each other and getting in front of the ball. Also, a special mention to Alessandro in goal made a few great saves to keep the score low. Well done boys.

C Team

This was the first game of the season for the Falkner House C Team. The first half saw a very difficult one for the boys as WCCS dominated the ball and the chances. Falkner House looked lost at the best of times, struggling to find answers to WCCS's attack. As the game went on the Falkner House players started to switch off, focusing on the ball too much. So much so that the players were getting in the way of each other; and at times, tackling or taking the ball off their own teammates. This led to WCCS having total domination of the game and the score line. The final score was 8-0.
