On Wednesday 8th of October FH played Garden House,

we arrived full of excitement and Miss Tucker and Mrs Gardener told us to warm up and get ready, slowly adults from both schools started approaching, but where was Garden House? we couldn't start without them. 45 minutes later they finally arrived we had a very short game and started as soon as possible, and then the whistle blew, and we had started, FH started with the ball! We all ran with all our might giving everything we had, soon we got the ball to our shooters and Poppy scored! It was 1:0 to us as the time was ticking we managed to get 5 more goals 3 from Aaliya, and 2 from Poppy, Garden House also managed to get a goal. It was the end, even though we had some injuries no one gave up. we all did so well, 6:1 all our hard work was worth it, and well done to Poppy for being player of the match.

Go FH 🎉
