

CHRISTMAS: IT TAKES A LITTLE VILLAGE

Dear Parents and Guardians,

George Meneghetti, who is currently enjoying his first year at **Falkner Boys School**, and his parents are donating **70 cosy jumpers** from their company **Little Gigi** to the incredible community charity, Little Village.

We know many of you already support causes close to your heart, but we wanted to share this initiative in case you'd like to join us. **Little Village urgently needs coats, boots, and warm clothing** this winter, **or even better, cash donations** to help deliver essentials directly to families in need.

It's a small gesture that can make a big difference. We hope that many of you would be happy to support this worthy cause and help keep children warm this season.

Please see below a photo of George modelling one of the cashmere jumpers.

Other ways you can help us to give more children the things they need.

Donating £10 could pay for a box full of pre-loved warm layers, books, and toys to be delivered to children across our capital in time for Christmas.

Special Matching Opportunity:

If you are able to donate between **2nd and 9th December**, your contribution will be matched pound for pound by a local business, doubling the impact of your generosity.

How to Donate:

- Erin will be collecting donated items on **Friday, 28th November**.
- If you would like to arrange a collection or have any questions, **please WhatsApp her PA on 07525 780053**.

Thank you for your kindness and support. Together, we can help this charity continue its important work and bring hope to those who need it most.

With gratitude

Luigi, Erin (George's parents) & George
