

FALKNER HOUSE

Y4 football vs Norland Place 18th November 2025

City

Falkner House City produced a superb display in the 5-0 victory over Norland Place, showcasing real progress and confidence on the pitch. What pleased us the most was seeing so many of the ideas we have been working on in PE coming to life during the game. From smart positioning to quick decision making and playing with composure under pressure.

The boys moved the ball brilliantly throughout, with some fantastic one-two pass and move combinations that repeatedly opened up space and created chances. Their calmness in possession, even when crowded, made the performance all the more impressive.

It was wonderful to see Yuvi return from injury, slotting back into goal and proving as dependable as ever. His safe hands and assured positioning gave the whole team confidence to play high up the pitch.

A special mention goes to Hugo, who ran the show from midfield and delivered what was probably his best performance to date. His work rate, creativity and drive helped control the game from start to finish.

A brilliant team effort, full of skill, teamwork and focus. An excellent result. Well done boys.

Rovers

The Rovers team put in a really good display with a 4-1 win against Norland Place. The first half started like a basketball game, both teams attacking, wanting to score the first goal. As the half went on, Rovers were starting to gain more control and were rewarded with the first goal. Norland Place were a little bit stunned, and Rovers took advantage and scored another 2 goals before half time.

In the second half, Norland Place started putting pressure on the Rovers defence to get back into the game, but they defended resiliently, and from the defence came the 4th goal with a great counter attack. However, Rovers were unable to keep their clean sheet with Norland Place scoring near the end.

A very good performance from the boys. They attacked and defended really well as a team. Well done!
