

FALKNER HOUSE

Y6 football vs Orchard House 10th November 2025

A Team

In an unfortunate encounter for the A Team, they lost 4-2 in an exciting match with plenty of drama. Early in the match, Jad passed Jack through the Orchard House lines for Jack to race clear of the defence and sublimely finish into the bottom corner with his weaker left foot. The team lost some of their earlier tempo, dropping focus and conceding two clumsy goals conceived from midfield errors caused by one too many touches.

In the second half, an Orchard House cross-shot sped across the Falkner box, with goalkeeper Luke having the ball covered, but a Falkner House defender slid in and tried to clear it. It was unfortunately deflected past Luke, with substitutes encouraging the Falkner House player. Jack now brought back on at, surprisingly, right winger threaded a perfectly weighted ball into the stride of Tomasso who controlled it well and powered it across the goalkeeper to give Falkner House a lifeline. However, it was not to be though because one defensive error later Orchard House were back on top by two.

Falkner House played well and drastically improved from the last fixture although in the end it wasn't enough.
