

We all stood ready in our places, all tensed up, ready to intercept the ball. The ball started off in Ibstock Place's hands, but we swiftly took it from their team, and the ball soared down the court where it reached our GA (Sienna Trabaud) and our GS (Aaliya Bhandari). Aaliya took a shot, but missed, only to catch it on the rebound! She aimed it at the net, and scored, moving the score up to 1-0 to us, in only the first minute of the game. The nexts goals were more difficult to do, Ibstock Place getting the ball more and more often to their side of the court. They had at least 1 shot with the ball, but our amazing GK (Marlowe Swerling) managed to take the ball from the opponents hand. We ended the first quarter with 2 points, both of them scored by GS. We were happy with our points, and tried our best to double the amount of points we'd already scored. Celia Cahil-Wright, our WD and Ayla Hursever (C), Matilda Tejani, our WA made some tremendous catches and interceptions, bringing the ball to Sienna who scored 1 goal, and blocking the opposing team from scoring. Through the next 2 quarters, we managed to double our current score of 3-0 to 6-0 to us! There were many close calls with Ibstock about to shoot, but our defence team was amazingly strong, and got the ball away from their grasp. Proud and happy, we finished the the day with 6-0 to us, and Aaliya as our star player. Overall, everybody played their best on the court, and players played the best they could, and have ever played.
