

FALKNER HOUSE

Year 3 v Durston House

11th May 2026

Year 3 FHB enjoyed an excellent start to the cricket term in their first fixture of the season, recording one win, one draw and one defeat across a series of exciting matches.

The boys showed magnificent fielding throughout the afternoon, working tirelessly to return the ball to the wicket keeper or bowler as quickly as possible and constantly looking for opportunities to throw at the stumps. Their energy in the field helped create pressure on every Durston team.

There was also some tremendous batting on display, with boys showing great awareness to find gaps in the field and score valuable runs. Every player contributed brilliantly, and the teamwork, enthusiasm and sportsmanship shown by all made it a fantastic opening fixture of the season.
