

FALKNER HOUSE

Y3 vs Durston House Match Report 28th September 2026

Albion

On Monday 28th September, Falkner House Year 3 Albion travelled to Swyncombe Avenue to face Durston House. The hosts started on the front foot, testing the Falkner House backline early on with relentless attacking play. Albion stayed resolute, driven by outstanding defensive heroics from Johnny, who turned in a masterclass of last-ditch sliding tackles to deny Durston several clear scoring opportunities. Despite Johnny's best efforts, Durston House managed to break through just before the break, taking a 1-0 lead into half-time.

Falkner House came out with renewed determination for the second half. Leo set the tempo with non-stop work rate and sharp movement up front, while Vittorio demonstrated fantastic vision, reading the play brilliantly and utilising the full width of the pitch to drive into dangerous space.

The sustained pressure paid dividends when Harvey produced a moment of individual quality. Picking up the ball, Harvey weaved effortlessly through the Durston defense before slotting a cool finish past the keeper to make it 1-1.

Both teams pushed hard for a late winner in a lively, end-to-end conclusion, but the full-time whistle blew with the scores still deadlocked. It was a fantastic display of skill and determination from both sides.

Rovers

It was a fantastic display on the pitch under the guidance of Mr. Greenlees. Delivering an electric performance at both ends of the field, the team put on an absolute spectacle filled with relentless attacking pressure, clinical finishes, and rock-solid defending. A complete performance from front to back. Between Kian's goal frenzy up front, Micky's all-around play, and the tireless defensive work from Kuai and Henry, Mr. Greenlees' side showed fantastic energy, skill, and teamwork throughout a thoroughly enjoyable match.

City

City once again faced Durston House at Swyncombe Avenue. The game started with Durston House on the front foot and showed no sign of stopping with every attack leading to a goal, the boys were shocked!

The second half was very similar to the first half, Durston starting strongly and scoring freely. However, City did improve as the half went on and found opportunities to score but to no avail. Final score: Falkner House 0 - 11 Durston House.

Result aside, there were very positive signs, particularly in the second half. With the team relatively new with boys starting Falkner House this year, it was going to be a challenge but we will get there. Good effort boys.

United

It was an amazing day on the pitch as the team delivered a spirited performance in a fiercely competitive contest. Guided by Miss Grimes, the players showed fantastic determination from start to finish in what proved to be a genuinely tough fixture. Despite the tough opposition and split results across halves, Alexander and his teammates showed

outstanding sportsmanship and grit throughout. It was an amazing, fun-filled match that gave everyone plenty to be proud of.
